POST PROPERTY

It is quite easy to post your property. Property can be of any type e.g. Residential, Commercial, Industrial and Agricultural. We can post our properties for sale as well as for rent. Localities are well defined on which your properties will be searched out easily by viewers. We emphasize on providing complete description of property best view, full details are ingredients of such forms. It is first step towards which you go through all those fields and attributes that are required to search out by any viewers.

SEARCH PROPERTY

You want to search a property either for Buying or For Rent or Project. You want to search as per particular location property type, minimum and maximum budgets. Our search form gives you these facilities. Property listing after having searched out gives you essential detail about the estate. On Search, you will find the image Property Type under your specified Budget Range, Locality, city, price Area Facing, Parking Facilities, Road Description Dimension and other complete relevant description.

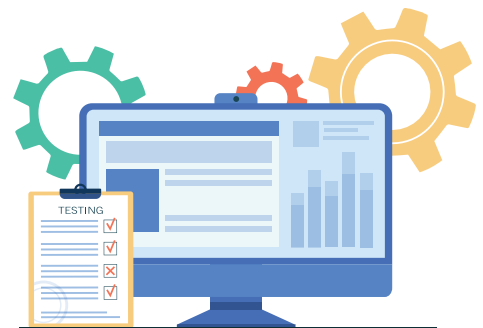

POST REQUIREMENT

What we want in terms of property. On Basis of Type, Budgets, Location, Sizes (Dimension), Floors etc. Mostly we want to have property details on basis of whether loan is required or not, numbers of rooms, whether it is under construction or ready to move. All these kind of requirement lead to the portal – realestaterewari.com. You will be getting alert in terms of SMS, E-mails. Basic purpose is to provide you that listed property that matches your requirement for purchase and for rent.

Quality Assurance plays a pivotal role in business by ensuring that products or services meet your desired thresholds of acceptability. It helps all of us to improve the efficiency and profitability by reducing waste or fraud or unwanted materials and facts. If you are scrupulous, ambitious and committed to excellence then you definitely would like to ensure quality. We have put the property on locality basis which is well defined and verified. All properties posted by us or agents or owners are verified and authenticated.

Admin has to approve the status of property and availability of it so there is no chance left for fraudulent and wrong entries. We do update time to time of all amenities of related properties. Maps are well researched and briefed with clarity designs. All search entries found are actually in reality and their status is indeed on for sale or for rent. Queries posted by user are almost complete in terms of what we know about the property.
